A note from our Managers...
Welcome to the March edition of the Little Learners Newsletter.

We are happy to see the weather improving now so that we can begin transforming our outdoor area ready for the summer term. We will be introducing a vegetable patch as well as planting lots of new herbs in our sensory garden.

We have lots of lovely Easter plans including our annual Easter Bonnet Parade. This is open to all of our children so please keep an eye out for further information. We have a special visitor planned too!

We also have our Mummy Stay and Play sessions where you will be able to enjoy arts and crafts and yummy treats!

We are looking forward to sharing Tapestry with you at Parents Evening. Tapestry will be live from Thursday 8th March. We apologise in the delay for this but we must ensure that all parents requirements are being met with regards sharing information.

We are also excited to have Laura Hines, Laura Harrison and Lucy Jonas joining our team from the end of March. Wishing you all a Happy Easter with your families.

Busy Babies

6 weeks – 1 year

Our topic for March is 'Under the Sea'! We will be enjoying messy activities with paint and blue gloop as well as playing in our water tray with lots of sea creatures.

We will be walking down the front near the river to visit the Deep and take lots of photographs of the different fish and animals we see.

We will also be joining in the Easter activities by making bonnets and enjoying hunting for eggs—yum yum!

We hope to see all of our Mummies at our stay and play sessions!

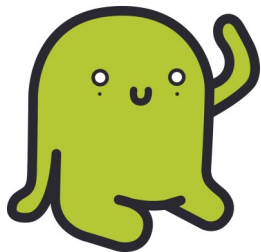

Happy Easter and Happy Mother's Day!

Tiny Tots

1–2 years

This month our topic will be spring! We have lots of lovely activities planned including looking at books about baby animals and enjoying outdoor play whilst collecting flowers and leaves. We will also be singing lots of songs and rhymes such as Old MacDonald and Baa Baa Black Sheep. We will also be exploring numbers through singing and playing with the animals.

We are also very excited about all of our Mummies coming to visit us for our stay and play sessions. We have made you all something very special too! Happy Mother's Day!

We will be continuing with our animal topic throughout March. We will be enjoying looking at Dear Zoo and we will be learning about the different habitats that animals live in such as the Arctic and the ocean.

We are also hoping to visit the Deep and East Park so that we can take lots of animal photographs to display around our room!

We will be exploring our outdoor area and we will be creating a bug hunt for our friends!

We are also going to be baking animal print biscuits so will be learning about what happens when we mix ingredients together.

We hope to see you for our Mummy's stay and play!

Happy Easter everyone!

Clever Clogs

2 – 3 years

We have a busy month planned for March. We have a beautiful florists in our role play area as we welcome spring and to celebrate Mother's Day. Please have a look at our Mummy Board too!

We are also enjoying a science month so we will be carrying out lots of experiments as well as researching how and why things happen such as when we mix ingredients and add water to sand.

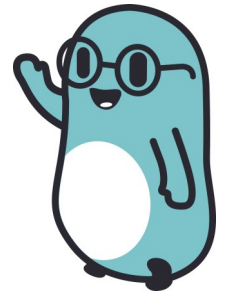

We are excited for the Easter break and look forward to seeing all of your bonnets at the parade as well as enjoying an Easter Egg Hunt! Happy Mother's Day & Happy Easter everyone!

Little Learners

3 – 5 years

We're looking forward to enjoying playing outside again over the coming weeks and have some great new equipment to use!

We would like to welcome Laura to our team at the end of March, Laura has lots of lovely new ideas planned for the School Stars children! We are also very sad to be losing Adam at the end of March as he starts a new position. Good Luck Adam! We are also looking forward to the Easter break. Please pick up a copy of our holiday booking form from the reception area.
