EYFS

Michelle

Michelle and the babies have joined with the Tiny Tots room as the babies are old enough and more mobile to play alongside the young toddlers.

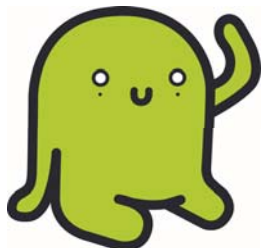

We are continuing with our topic 'all about me' and 'healthy eating'. The children will participate in making their own healthy tea such as pasta dishes & quiche etc. We will be creating obstacle courses outside for the children to have fun outdoors and help build stronger bones and good fitness levels in order to give them the best start in life. Indoor art and craft activities will include paints by printing with fruits and vegetables and creating hand and foot prints. Please may we ask you to provide your child with suitable outdoor wear in view of cold weather starting soon.

We are currently starting our new topic about 'healthy eating'. We have really enjoyed learning 'all about me'. Our favorite part was creating our own portraits. We are excited to go on a walk to the fruit market to pick our own fruits. We will be exploring the paints using our fruits to fruit press. We are also looking forward to celebrating Halloween and getting all dressed up for our spooky party. In November we are looking forward to learning all about the people who help us. We will be exploring lots of new books. We cant wait for the bonfire night. We are going to create our own fireworks. And then christmas countdown begins as we are getting ready for Santa. *Danielle, Laura, Chloe, Emily*
